

Admin Documentation

Welcome to the LMS administration documentation!

This is the home page for administering your LMS. Documentation can be viewed from most utilities within the LMS by clicking on the ? icon.

Next you might want to:

- Import Students** - Students Tab
- Enroll Students** - Students Tab
- Setup Notification** - Notifications Tab
- Familiarize with Reports** - Reports Tab

Search this documentation

- students
- csv
- enroll
- import
- status
- unenroll
- deactivate
- overview
- reactivate
- student
